- 2. Answer all questions and attach additional sheets where necessary. If the information cannot be provided, briefly explain why.
- 3. Explain unusual entries and discrepancies on pages containing space for remarks or reference the entity and attach supplemental pages.
- Where the space provided is insufficient, insert and number additional pages. Photocopies or computer-generated pages may be used. For example, if you need to add pages to report your wire miles on page 13, number the pages 13A, 13B, 13C, etc.
- 5. Please submit any additional information that may affect the valuation of the property.
- 6. If information matching what is being requested has already been created, you may substitute copies of that information.

- 8. Additional reports to be included: the annual report to partners and stockholders, operating and financial year-end company report, annual report to the Federal Communications Commission or the Public Utilities Commission of Idaho, or the annual report to the Securities and Exchange Commission.
- 9. If you elect the qualified property exemption in lieu of investment tax credit, you must complete page 4.

If you have any questions about completing this form, please call our office at (208) 334-7722.
